Maher:

Good afternoon, I contacted Navajo Land Department and they have informed me that Section 13 is Navajo Trust Land. The information and screen shot I received from Steven Chischilly with NLD. To get additional information about land status and access you will have to get in contact with:

Mike Halona, Department Manager III
Navajo Land Department
2B Taylor Road
P.O. Box 2249
Window Rock, AZ 86515
Office: (928)871-6440
Email: m_halona@frontiernet.net

I hope this helps.

Vivian

Steve:

Good morning, would you please let me know if Navajo Nation has an interest in Section 13 (AKA as Bebo Trespass) of the Map attached. Navajo Nation might have an interest after the Land Buy Back that happened last year. I would like this information as soon as possible please. The township numbers are on the email from Mr. Zein.

Thank you,

Vivian

Hi Vivian,

Thank you for joining our progress update call earlier this afternoon. Your assistance on this project is always appreciated.

Per your request to facilitate your coordination effort with the Navajo Nation regarding access to Section 13 (Bibo Trespass), please find attached a site plan depicting the locations of the proposed TCRA areas at the site.

The TCRA areas of Section 13 are located within: SE 1/4 Section 13, T13N, R11W.

Please let us know if you need any other information that may expedite obtaining approval to access Section 13 for TCRA implementation.

Thank you,
